

## **Performance Coach Position**

Performance Enhancement Professionals (PEP) is a state of the art wholly integrated sports performance center for the elite athlete. We provided individualized, multi faceted programs aimed at enhancing and improving the athletic abilities of our clients. We are currently looking for a part time Performance Coach, with the opportunity to become a full time position. This is an excellent opportunity to learn, gain valuable experience and become a better coach.

### **Job Description**

Candidates will be training professional, collegiate, youth athletes and general population. They will work one on one and in group settings with athletes guiding them through warm-ups, speed training, agility, conditioning, strength training, cool downs, mobility, and recovery methods as prescribed for each athlete. Candidates will also be responsible for daily maintenance of the facility and equipment.

### **Certifications**

CSCS is preferred, but open to other certifications and backgrounds.

### **Work Schedule**

Days, nights and weekends are required as needed. Working with Professional Athletes is seasonal and during the busy season we work 6 days a week and very long hours. If you can not handle this workload do not inquire about this position.

### **Compensation**

Compensation is commensurate with experience and qualifications. No sales and this is not a commission-based position. The more value, energy, and motivation you bring to PEP the more opportunities for advancement and increased compensation.
